

Build the pitch, present it and send the link

Turboslide is a slides editor in the browser.

Onboarding plan for Northwind

Four weeks from the first call to the first deck.

What Northwind gets

Three things on the first day.

Name

Their name on every slide

Theme

One theme for every deck

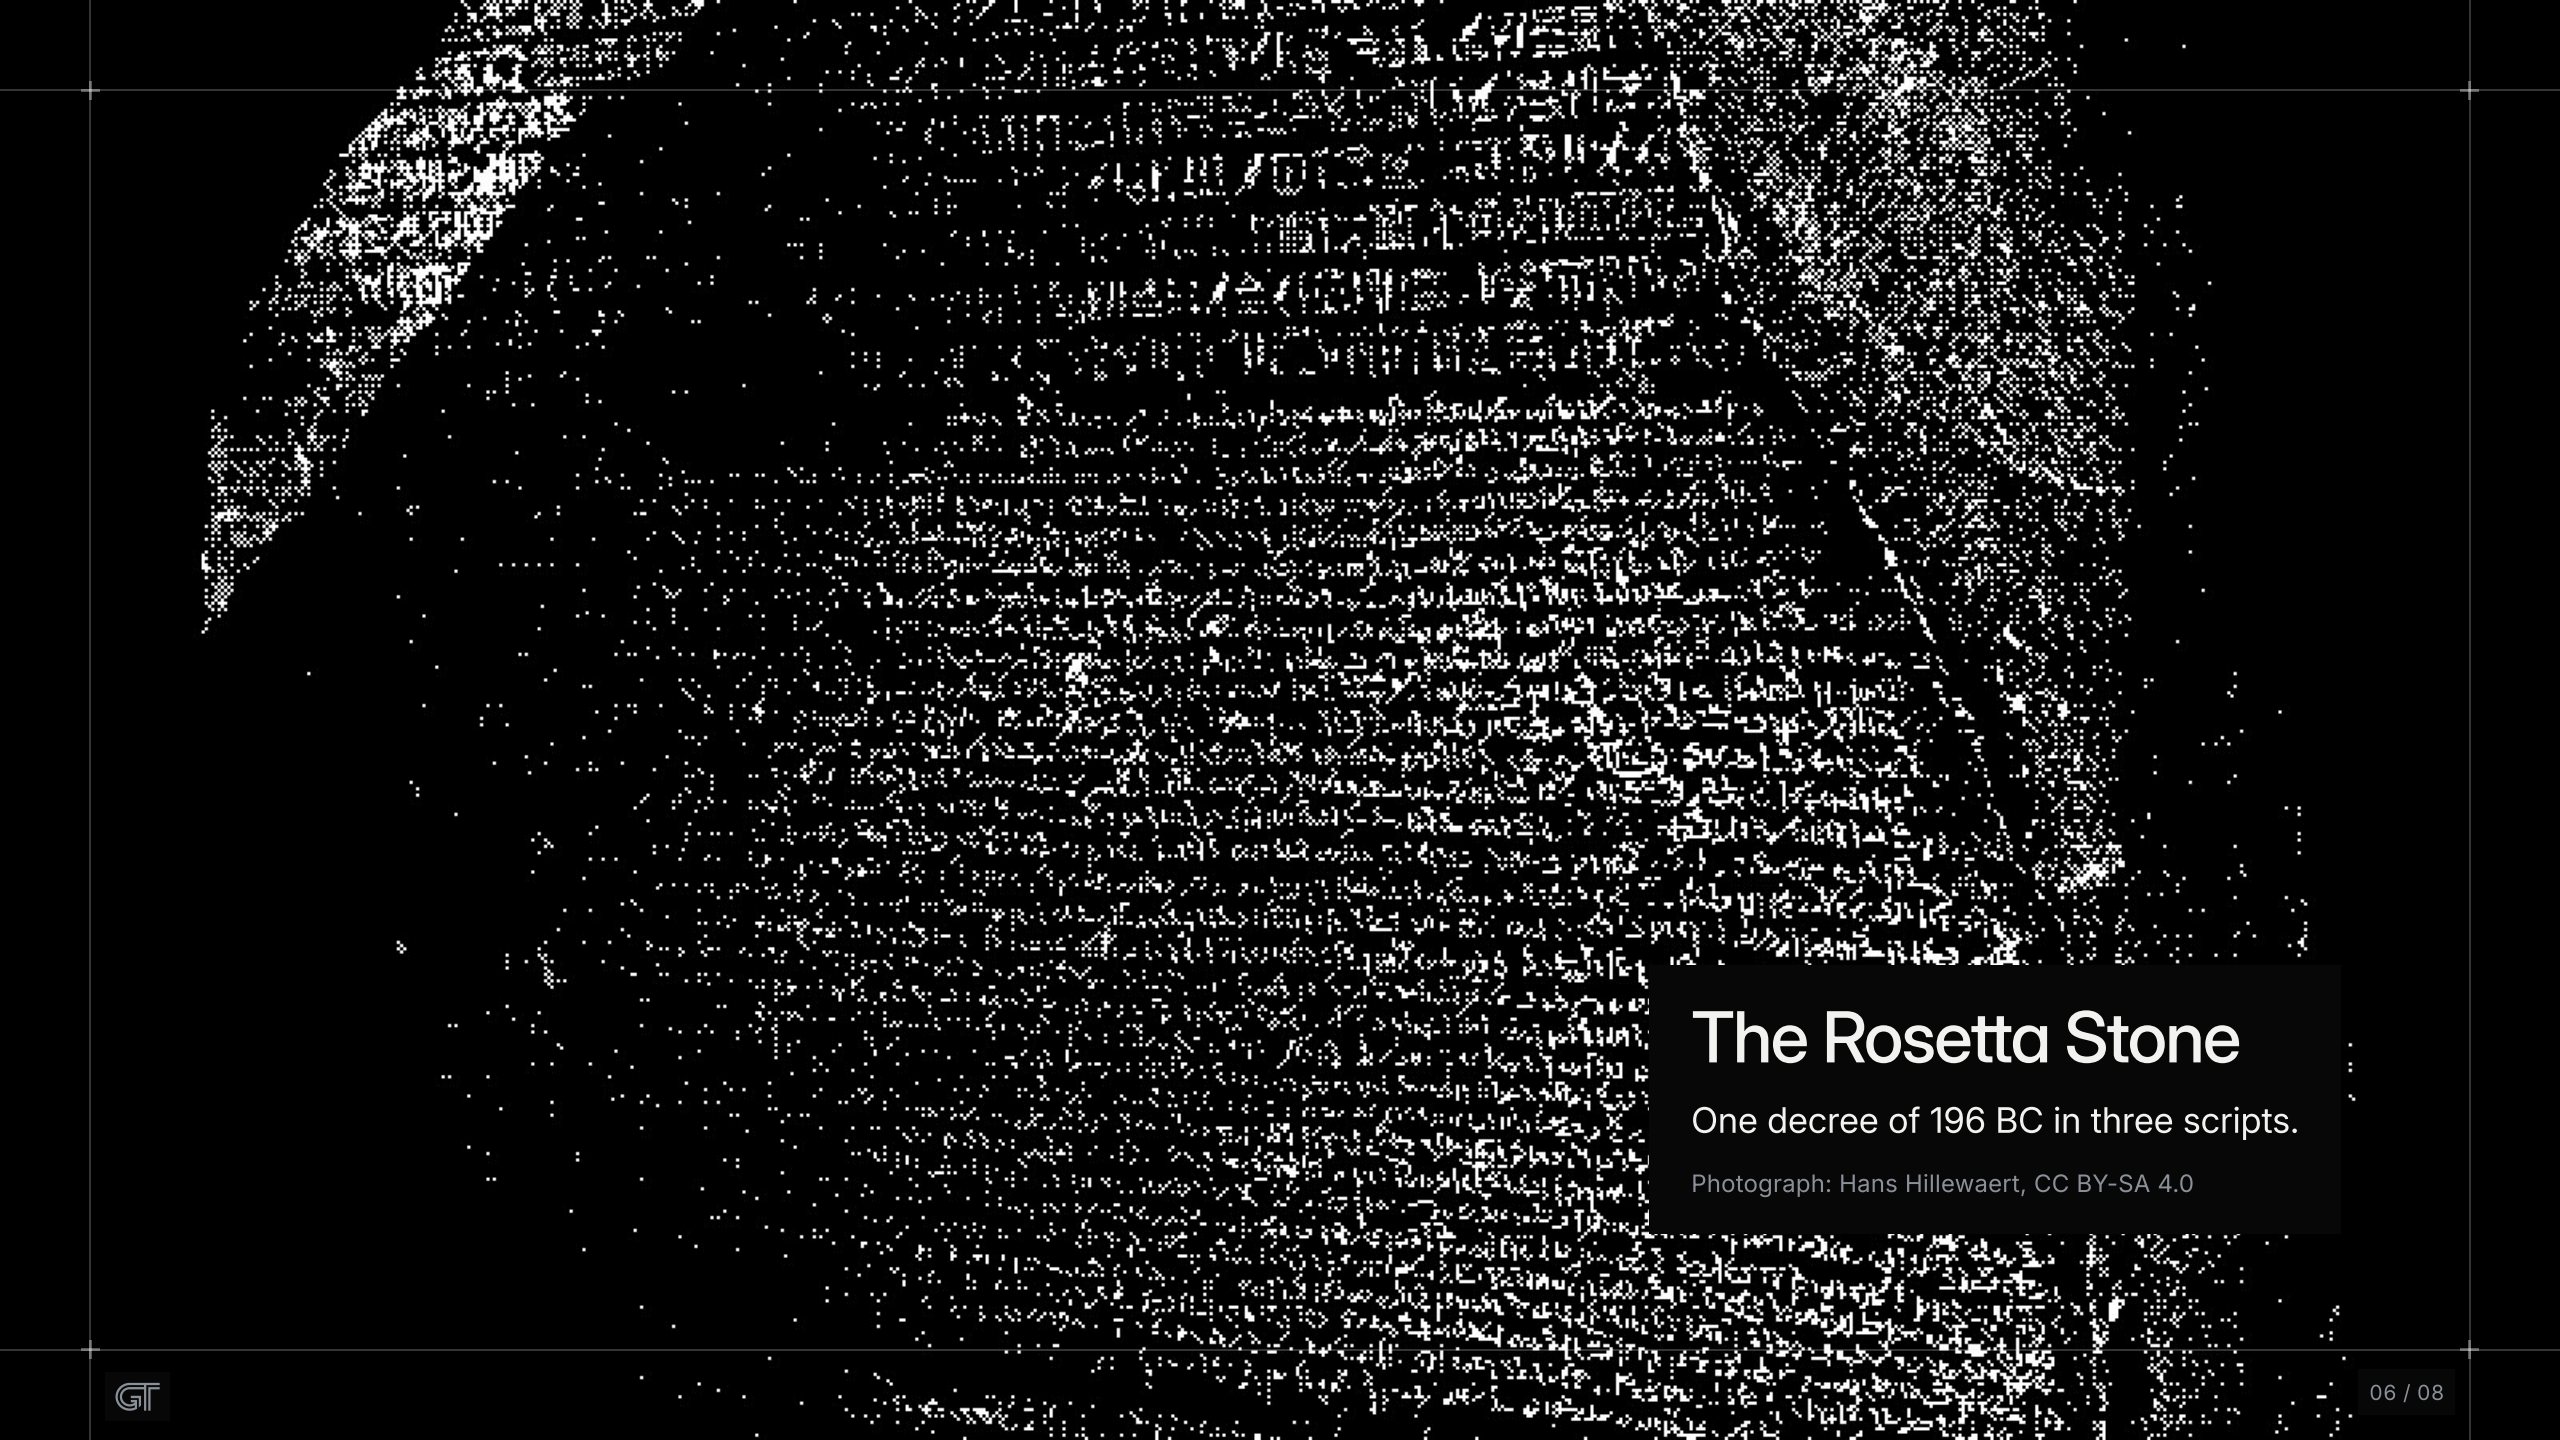

Drafts

Agents that draft the first slides

The first Northwind deck ships in week one

Next steps with Northwind

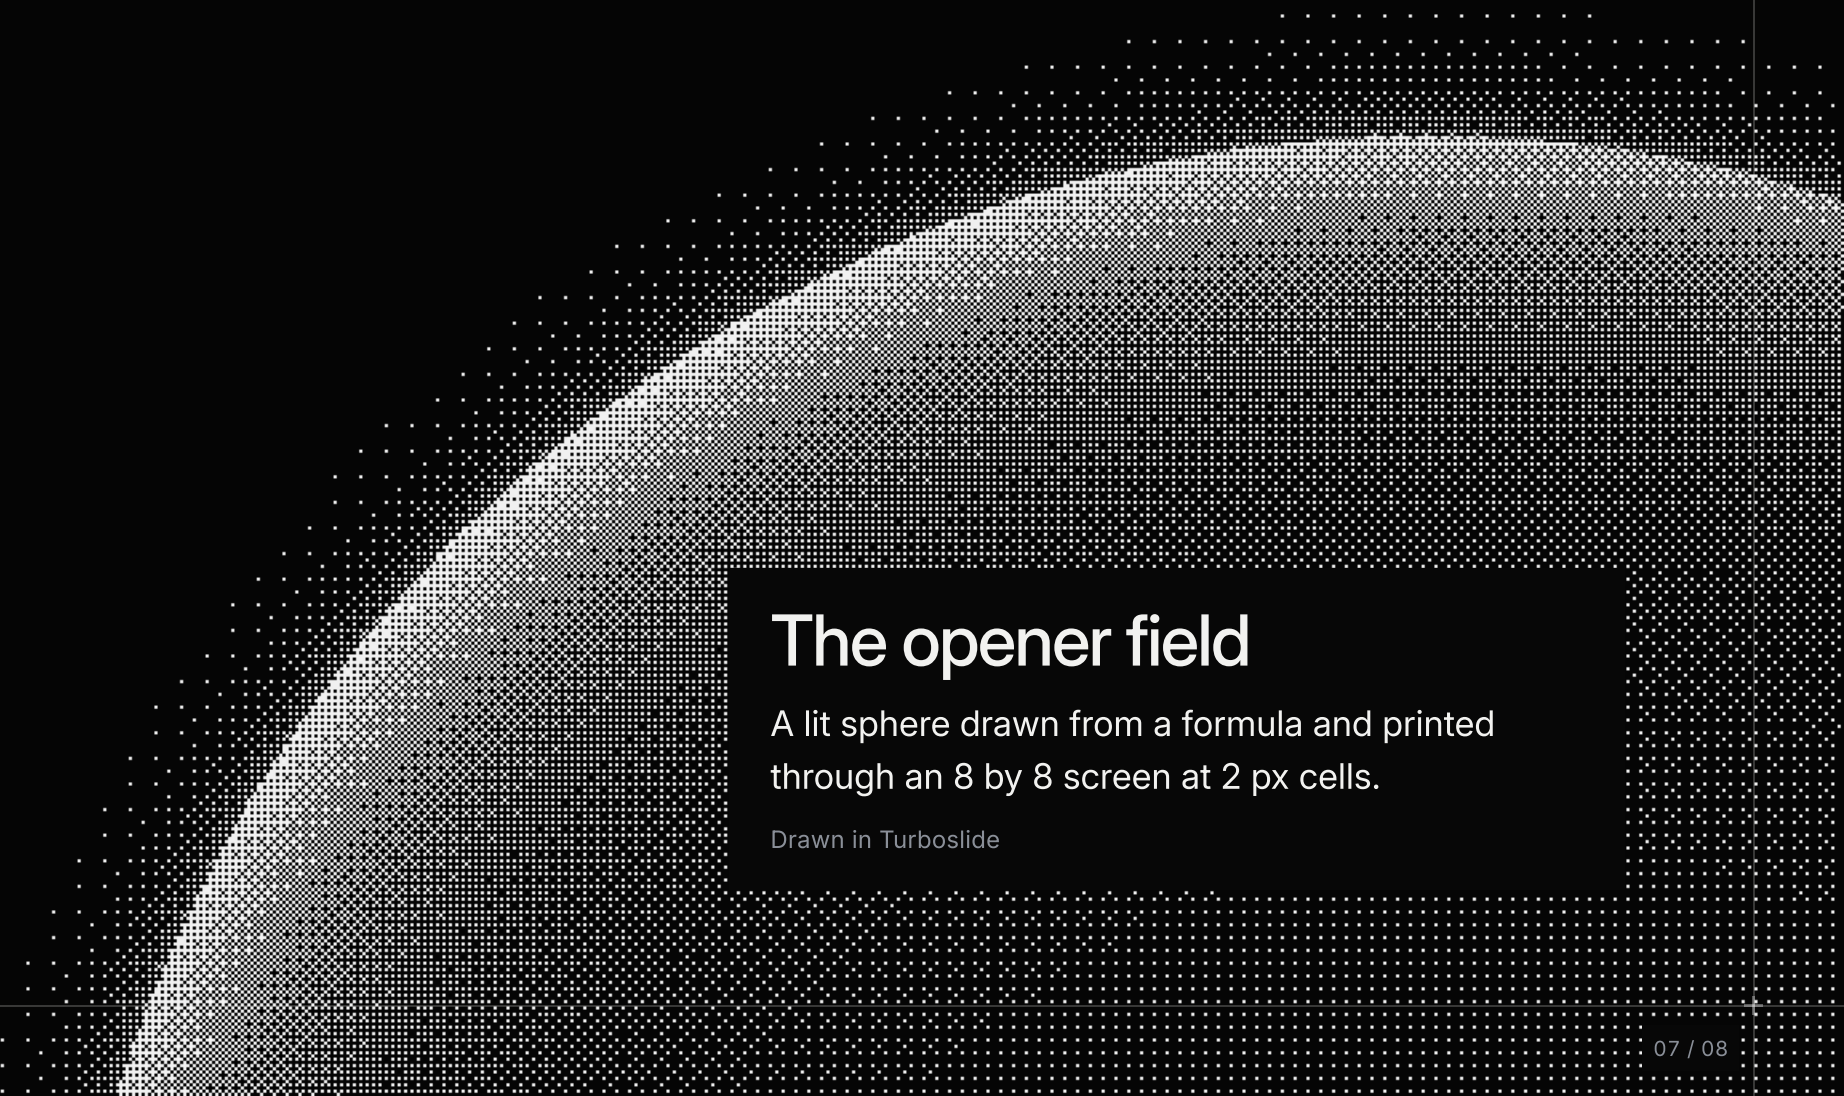

Monday	Northwind sellers get the deck
Wednesday	Agents draft slides over MCP
Friday	The first call uses this deck

The Rosetta Stone

One decree of 196 BC in three scripts.

Photograph: Hans Hillewaert, CC BY-SA 4.0

The opener field

A lit sphere drawn from a formula and printed through an 8 by 8 screen at 2 px cells.

Drawn in Turboslide

Turboslide

Made in Turboslide. Set in Inter.
